

Welcome to
ANANDAM
H.S. PAUL MEMORIAL INSTITUTE

An English Medium CBSE School
under the Aegis of
**Acoustical Foundation For Education
& Charitable Trust (AFECT) -**

An Introduction

Founder: Prof: Hari Sadhan Paul
PhD D.G FABI FASA (USA)

Late Prof. H.S. Paul was born in 1934 at Moulara, P.O. Mangalore, Garbeta, Paschim Medinipur. He lost his father at an early age and was brought up by his elder brother Late Manmatha Nath Paul. Because of his constant support and encouragement he excelled in education. He was a gold medalist from Jadavpur University, PhD from IIT, Kharagpur in Mathematics and worked as a professor in IIT, Madras. A number of scholars had earned PhD degree under his supervision and he was a fellow of Acoustical Society of America (ASA). He visited many countries and was a frequent visitor of ASA (USA). He established the AFECT in Chennai in 1998, which was shifted to Taldangra, Fatesingpur, near Garbeta station in 2009. His main interest was to establish a centre for excellence for acoustically challenged children by introducing modern method of learning to help these children to grow into independent and respectful individual. Unfortunately Prof. Paul expired on 1st December, 2012.

As a mark of respect to the deceased the present Trust board is working to fulfill his desire and vision. The Trust is committed in establishing an English medium CBSE school up to standard XII. A special charitable center for acoustically challenged children is also initiated along with other programs to improve their physical and mental health . The trust invites all local people to be associated with AFECT so that it can be a unique Educational Institute for our children. The Institute will provide a platform for next generation to build a better career and eventually become responsible citizens of the country.

About the ALMANAC

The Almanac aims at establishing a valuable link between the teachers and parents with regards to the quality and quantity of work attempted by teachers and students both in school and at home.

Please ensure that your ward brings the almanac to school every day. You should go through it, each day at home and check if your ward is doing his/her school work properly and is keeping pace with the progress of the class. Please see to it that your child develops sufficient time to complete his assignments and teachers remarks may please be counter signed everyday by the parents, who should also mention the completion or non-completion of the works given.

It is being emphasized in the school that home tasks should be set on topic with which children are familiar and the unknown world should be explored in the class room under the guidance of the reacher. The home task set must be done without any help from others. In case of difficulty students should seek the help of the subject teachers in the school without losing any help.

It will be beneficial if comments made by you here adhere to the student's work and conduct. No purpose will be served if any criticisms of the teaching method or conditions at home enter these pages, bringing the home and the school at variance with each other. Such criticism , if necessary , can be conveyed personally or through seperate letter to the Principal who will certainly look in to those matters.

Thank you for your co-operation.

From the Desk of Managing Trustee
(AFECT)

Dr R.K.Pal
Managing Trustee

The Trust AFECT is carrying forward the mission of late Prof. H.S. Paul. The Trust is working sincerely on two main projects since 2013. One of it is to establish a unique Central Board of Secondary Education (CBSE)affiliated higher secondary school, Anandam H.S. Paul Memorial Institute,offering subjects of both Science and Humanities. Presently the school has obtained the NOC & Recognition certificate from State Government West Bengal and the affiliation from CBSE up to class X. The school Managing Committee, Principal and qualified teachers are working sincerely and successfully to maintain high standards and upholding the faith and trust of the people of Garbeta.

The other one is to help acoustically challenged deaf children of this locality, through free of cost vocational training programs. Two trainers/teachers are already teaching on Saturdays and Sundays to these students using sign language. In addition to normal Education, the institute also provides them basic training in computer, handicraft, tailoring courses as per the choice of the students. We believe in the philosophy of commitment to serve the society willingly, graciously and selflessly. The trust is looking forward for experienced people with similar mindset to join hands with us for the upliftment of future generation of these localities through quality education as per the new education policy of the Central Government.

Trust Board (AFECT)

1. Dr. R.K. Pal (Managing Trustee) Rtd. Associate Professor from Delhi University
2. Dr. S.S. Mandal Rtd. Associate Professor, Govt. of WB.
3. Prof. Subhas C. Kundu Rtd. Professor, IIT Kharagpur
4. Mr. Sunil Kumar Rana Managing Director, Rana Group of Companies.
5. Dr. V. Bhujanga Rao Rtd. DG, DRDO, Ministry of Defence, New Delhi
6. Mr. Indrajit Pal Rtd. Teacher
7. Mr. Sanjoy Roy Managing Director, RMIT Pvt. Ltd. Kolkata

From the Desk of the President

As the President of 'Anandam', an English medium school under Central Board of Secondary Education (C.B.S.E), I have the privilege to write a few words here.

At first, I express my heart felt thanks to late Dr. H.S. Paul who had chosen this remote place (Taldangra) to set up an English medium school like this with a view to giving an opportunity to the rural kids to unfold their potential qualities of learning English Language. 'Anandam' is now eight years old. During this period it has marvellously developed structurally and qualitatively. The M.C., the members of the Trust and above all, the Principal along with the teachers have been trying their best to raise the standard of education as well as - to ensure allround development of the school. I have personally observed the teachers' earnest desire and dedication in discharging their duties. During this pandemic situation they have been taking online classes and holding examinations at regular intervals.

At times, I sit with them and exchange our views about all matters relating to teaching - learning methods. I also talk to the students and want to know their likes and dislikes, their problems, if any, and accordingly try to solve them. I gladly inform you that Anandam has got C.B.S.E affiliation a X Class school very recently the affiliation no. is- 2430360, school no. is- 16136. So, I appeal to all the guardians, the people of this locality and all concerned with the school to come forward with a positive mind to make Anandam a premier english medium High School, which was the coveted desire of all.

**With thanks
Hirendranath Sar
President**

Principal's Message

Re-defining Education

Dear Parents / Guardians and Students

A growing number of professionals, politicians, corporate sector and educators are united around the idea that students need 21st century skills and education to be successful today in this modern world. Childhood is a delicate journey. During the most important years of learning. We believe that children benefit and develop in critical thinking and problem solving skills. Such skills as information literacy and global awareness are not new, at least among the elites in different societies. The need for mastery of different kinds of knowledge ranging from facts to complex analysis forming value system and reaping the benefits of success in years ahead.

This distinction between "skills that are genuine " and "skills that must be taught more intentionally stand effectively "ought to lead policy makers to different education reforms than those they are now considering. In today's education schools must be more deliberate about teaching critical thinking, collaboration skills and problem solving skills to all students, then the remedies are more obvious.

So, we at Anandam, H.S.P.M.I, School, Garhbeta, provide an enriching learning environment where the children will be or are made to be successful and have a challenging educational experience and lead a magnificent life. Our aim is to empower the future of India that is our children, yes "Our children" The faculty of our school treat your child as our own child as school is considered child-centric as it focuses on all aspects of their development, spiritual, physical, emotional and cognitive growth in a very disciplined and in a co-operative way.

We strongly believe that the growth of a Nation depends on the progress in education which converts the untapped human resources into useful human capital. As the backbone of the Nation; we teachers strive to impart quality education in our institution. We the faculties at Anandam, H.S.P.M.I School, Garhbeta, offer holistic education with proper guidance and skill development of our students to lead a bright and successful future.

So, My Dear children, your future and professional success depends on the right choice of the educational institution that you choose. Your aim and success depends only on your decision and no one else can help you.

A society that values multiple intelligence, encourages exploration, accepts failure, prizes environmental conscientiousness and allows people to define success in terms.

I wish you all a great and expowered learning experience at Anandam, H.S.P.M.I School, and Garhbeta.

May God, the Almighty, bless you with a bright and a successful future.

*"My sole aim is to discover truth and to help others discover it,
To reject falsehood and help others to do the same"*

- Maharishi Dayanand Saraswati

With best regards

Edwin Abraham

MISSION

To provide quality education with equal opportunity for all students irrespective of religion, caste or class. To develop a sense of equality amongst children and help them face challenges of the world with a wide outlook. To make them self-reliant, productive individuals and awakened citizens. To provide the world with the leaders of tomorrow by inculcating among the young scholars of today the freedom of thought, choice and the freedom of expression.

Long Term Goals:-

1. To provide an integral formation.
2. To enable pupils to become men and women of action and reflection rooted firmly in and inspired by the values of human dignity, equality, social justice and secularism, to inculcate rationality among them.
3. To create among the students a sense of compassion for the weaker and poorer section of the society, love for all living creatures & concern for the environment.
4. To foster in them skills to live and work in harmony with those who differ from them in religion, caste, language, ethnicity etcetera.
5. To encourage the students to guarantee their self growth.
6. To promote deeper bonding among the staff with a common mission.
7. To reach out to parents and share with them our vision of education.

8. To run a special education centre for acoustically challenged children.

Discipline / Code of Conduct:-

1. To wear the school uniform correctly and with pride.
2. To co-operate with all staff members.
3. To show collective spirit by participating in school activities.
4. To bring text books for all lessons of the day.
5. To leave the school only during emergencies with the written Permission of the principal (only on an emergency.)
6. To maintain silence in the library and computer lab.
7. To keep the classroom, school environment clean and tidy.
8. To be familiar with school campus and traffic rules.
9. To listen attentively to others in & outside the classroom.
10. To learn to reject behaviors such as swearing, using abusive language, spitting, fighting, and damaging school property.
11. Any damages to school property will be bared by the students parents.

For parents:-

- Play with your child and allow them to learn and explore their surroundings through play.
- Encourage independence in washing, clothing and feeding.
- Let your child help you with your tasks whenever possible.
- Ask them about what they are doing and how they are feeling at school.
- Read before them/ let them read before you and retell stories by sequencing and discussing pictures.
- Listen to them as much as possible with patience.
- No Concession to central and state govt. employees
- To avail 80G tax benefit you may donate to the Trust for the school development

Features:-

Co- educational English medium school with CBSE Curriculum and NEP.

Health:-

The school will conduct periodical health checks-ups of students and submit report to the parents whenever required. The sick room of the school is well equipped with First Aid equipment and trained staff.

Present Status:-

Anandam is presently running upto class VIII. It has already got district level N.O.C. from W.B. Govt and school affiliation from CBSE upto secondary level and will upgrade to highsecondary level

Educational Tour/ Excursion:-

Date & program will be notified later on. It is compulsory for all students and participate as per CBSE tute.

Security:-

The school will ensure security of students and visitors. Entry into the school campus will be restricted. Visitors may be allowed in an emergency to meet a student and / or the child may be handed over to the escort after necessary verification/notification only. We have CCTV servilliance around the campus.

Faculty:-

Teachers for each class are qualified, trained (Montessori , B.Ed or M.Ed, B.Ped) and well experienced. Continuous appraisal and training of the faculty members are carried out by the Academic Advisors/ Administrators of the school. Methodology of Teaching is based on Activity based learning. Teachers follow their lesson –plan for activity – based teaching-learning through worksheet solving & demonstration , projects, fieldwork etc.

Assessment:-

A students not having the required attendance(80%) will not be promoted to the next class. Parents are requested to track attendance of their wards, as intimated through the school diary or progress report.

Two unit tests, two Formative Assessment, one mid-term and one final exam will be held in every session as a part of Continuous & Comprehensive Evaluation(CCE). Students will get Report cards after each Test/Examination, which are required to be returned to the class Teacher's duly signed by the guardian (except the final exam report card). (Parents may visit on scheduled dates and times to see their ward's answer scripts).

Communication with the school:-

It is mandatory for parents / guardians to acknowledge/reply all the letters sent by school and maintain regular interaction with the class teacher through the school diary and to attending every parent- teacher meeting.

Parents/guardians have to meet the school authorities as and when called for any failure on their part to comply with the request of the authority will be dealt with as per the prevailing rules and regulations of the school. Management of the school reserves the right to amend the clauses contained in the prospectus. The decision of the Management will be binding to all concerned regarding any matter mentioned or not contained in the prospectus.

Co-curricular and Extracurricular activities:-

The school regularly conducts co-curricular and extracurricular activities like sports & events, like Football, Volleyball, Badminton, Marshal Art Yoga, Art,& Craft, drawing where activities are offered to children according to age- groups of the children. The school has developed its own beautiful modern play ground in the campus.
